

# crushed chestnut & apricot pigs in blankets

roast/air fry

The core temperature is measured from the centre of the meat. For perfect cooking and measuring internal temperatures, we recommend a 'Meater+ Wireless Thermometer'. Available in our pantry now.

Whilst I personally develop, try and test all our recipes and cooking guides, heritage breed animals can vary immensely, therefore cooking times are a guide only. Please ensure all products are cooked through and hot before serving. Enjoy!

## method

Preheat the oven to 180°C for fan-assisted or 200°C for ovens without a fan (gas 6).

Place the pigs in blankets onto a roasting tray.

Roast for approximately 25 minutes until the bacon is crisp and caramelised and the sausages are thoroughly cooked.

Alternatively air fry 200°C for 15 minutes until the bacon is crisp and caramelised and the sausages are thoroughly cooked.
